

## ABOUT US

---

For any physician or health team member who wish to apply their passion and skills in leading the way to an integrated health system, the Physician Leaders' Network (PLN) is:

- ▶ Designed by physicians
- ▶ Responding to leaders
- ▶ Supporting physicians and teams
- ▶ Easy to access
- ▶ Completely free

Together we are clearing hurdles and removing barriers towards the promotion of the Patient's Medical Home and Health System Integration

The PLN provides:

- ▶ Practical resources
- ▶ Timely supports
- ▶ A network of peers to share with and learn from

## LEAD...WHO ME?

---

Yes! You care about patient quality and the systems that support it, but being a leader isn't always easy. It requires a unique set of skills and experiences.

You are not alone and an array of support is available to assist your leadership efforts towards a Patient's Medical Home and Health System Integration.

## OUR SUPPORTS

---

To best serve leaders at all levels, the PLN provides a variety of supports to choose from including:

- ▶ COMMUNITIES OF LEARNING & PRACTICE
- ▶ GROUP LEARNING OPPORTUNITIES
- ▶ WEBINARS AND WORKSHOPS
- ▶ COACHING AND MENTORING
- ▶ PRACTICE-BASED LEARNING
- ▶ PROFESSIONAL DYADS
- ▶ TRAINING COURSES

## LOCAL LEADERS

---

- ▶ **Influence** the uptake and spread of the Patient's Medical Home in your practice or PCN.
- ▶ **Engage others** in new approaches to primary and specialty care.
- ▶ Overcome **resistance to change**
- ▶ **Optimize processes** for stronger patient centred interactions.
- ▶ **Track progress** through "just enough" measures.

## ZONAL LEADERS

---

- ▶ **Guide changes** related to efficient referrals to specialty care (and back!), hospital to home transitions, and better ways to keep care in the community.
- ▶ **Successfully partner** with system health organizations for effective project planning through case based learning.

## PROVINCIAL LEADERS

---

- ▶ **Represent** Alberta's landscape by communicating across organizational and cultural boundaries.
- ▶ **Navigate** the provincial decision making process.
- ▶ **Coordinate** the Integrated Patient's Medical Home in the context of the broader health care system.

## SIMPLE ACCESS

---

The Physician Leaders' Network (PLN) is here to assist physicians and health teams in achieving their own leadership objectives towards enhancing system level impact.

For **physicians**:

- ▶ Assistance with developing a leadership plan towards an Integrated Patient's Medical Home.
- ▶ Access to training, tools and resources (these can be customized in your own context to deliver to colleagues and team members).

For **allied health professionals** working with physicians:

- ▶ Participate in a live webinar or training session.
- ▶ Access to online training, tools and resources.

For **PCNs or other physician organizations**:

- ▶ Host a workshop or webinar (these can be customized for your group).
- ▶ Access, use, and modify online training, tools and resources for your needs.
