- Strategic Directions
- Governance/Leadership
- Policy Framework
- Organizational structure
- Measurement and Evaluation
- Funding Policy

PCN Zone Committees

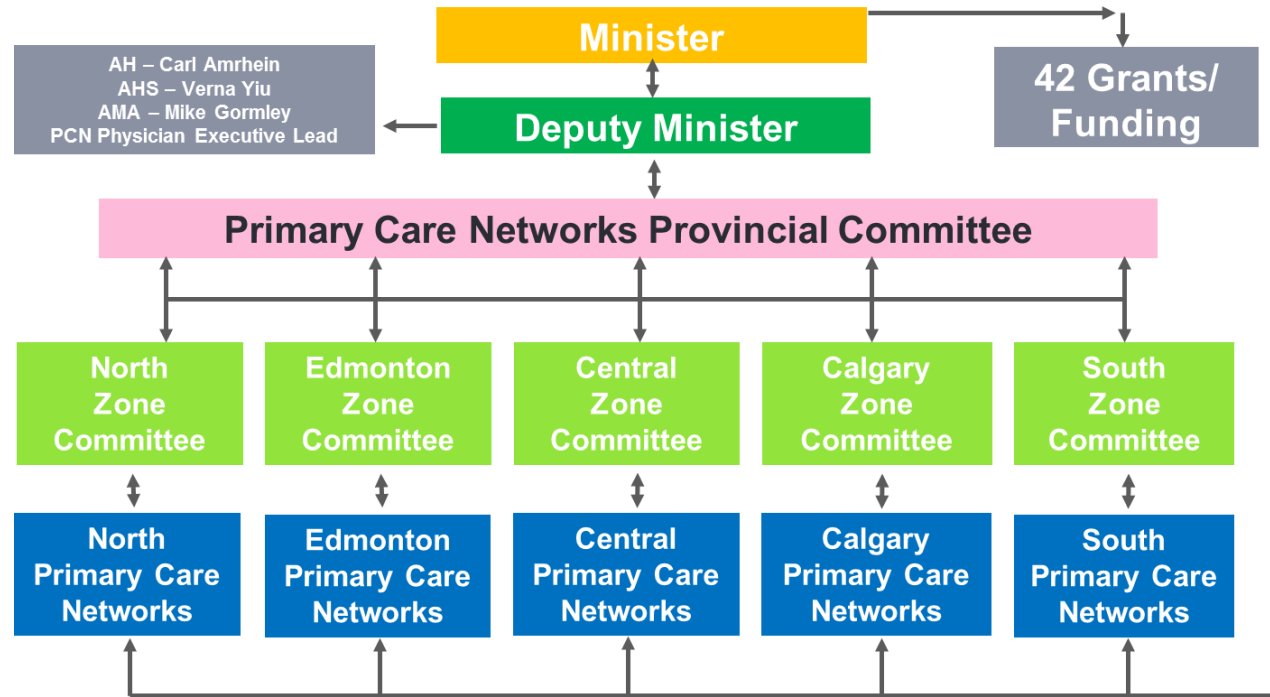

PCN Zone Committees

Membership

- PCN Physician Lead(s)
- AHS Senior Zone Lead
- Community/patient representative
- Partners from other organizations as defined by the zone

Roles and Responsibilities

- Advice
- Planning zone-wide
- Communicate bi-directionally

Considerations/Opportunities

Considerations	Opportunities
Reduced PCN autonomy.	Strength in numbers creates a collective influence.
Perceived shift in partners influence.	Partnership already exists. There are no legal changes.
Uncertainty that funding changes may impact current programs.	Potential population-based funding models provide stability.
