

CII/CPAR falls under the Alberta Netcare umbrella, which is governed by the *Health Information Act*. Providers are not required to have direct conversations with their patients, however...

Health Collection Poster

They are obligated to place a [Health Collection Notice](#) poster within a patient's view. A customizable template is provided to the clinic.

Patient Brochure

If patients have further questions, [CII Patient Brochures](#) are also provided.

Custodian Script

A [Custodian Script for Patients](#) is provided which outlines how to discuss patient's expressed wishes and the use of confidentiality flags.

Patient FAQ

The [Patient Frequently Asked Question \(FAQ\)](#) document explains the CII/CPAR initiative and its implications to patients of CII/CPAR clinics. It also provides patients with contact details if they have more questions.

Privacy & Security FAQ

The [CII/CPAR Privacy & Security FAQ](#) provides further details about the sharing of health information.
