The screenshot displays the WebEx interface. The top window is titled 'Participants' and shows a list of participants: 'Speaking:' (empty), 'Panelists: 1' (Terina Keller (Host)), and 'Attendees: 1' (Morgen Palfrey (me)). The bottom window is titled 'Chat' and shows a 'Send to:' dropdown menu with 'Host' selected. Below the dropdown is a text input field with the placeholder text 'Select a participant in the Send to menu first, type chat message, and send...'. A 'Send' button is located to the right of the input field. Three red arrows point from text labels to specific UI elements: 'Raise your hand' points to the hand icon in the Participants window; 'Select All Participants' points to the 'All Participants' option in the Chat window's 'Send to' dropdown; 'Enter Text' points to the text input field in the Chat window.
